## PREPERATION

**Title:** Project preparation and analysis of study programs

**Description:** Analysis and comparison of teaching systems and conditions in the field of Mechatronics in Higher Education system of EU and Uzbekistan. Discussion and approval of the general plan for bridging the gap amongst EU and Uzbek HEIs in the field of Mechatronics and allocation of responsibilities between consortium Partner HEIs. The study will also include the courses given at EU partner universities. This stage will be compiled from unique inputs of different partner institutions within the project. All

## RESULTS

Title	Download
1. Action Plan for Preparation	<a href="#">Download the file</a>
1.1. Report. Analysis and comparison of teaching systems and methods in HEIs of EU and Uzbekistan.	<a href="#">Download the file</a>
