

International Hellenic University

Maria Drakaki

Department of Science and Technology School of Science and Technology, University
Center of International Programmes of Studies, *International Hellenic University, Thessaloniki,*
Greece

IHU in its new structure that took place in May 2019 has resulted from the merger of 4 Higher Educational Institutions:

- International Hellenic University (at Thessaloniki)**
- Alexander Technological Institute of Thessaloniki (at Thessaloniki)**
- Technological Educational Institute of Central Macedonia (at Serres)**
- Technological Educational Institute of Eastern Macedonia and Trace (at Kavala)**

International Hellenic University (IHU)

The [International Hellenic University](#) (IHU) was initially established by Law (No 3391/2005) and was based in Thessaloniki, Greece. The IHU was Greece's first public university where programmes were taught exclusively in English comprised three (3) Schools which offered twenty-four (24) master programmes.

The International Hellenic University was re-established by Law (No 4610/2019), is based in Thessaloniki, comprises nine (9) Schools and thirty-four (34) Departments and is located in Thessaloniki, Kavala, Serres, Drama, Katerini, Edessa, Kilkis, Didymoteicho.

The two Schools (*School of Humanities, Social Sciences and Economics and the School of Science and Technology*) of the IHU belong to the **University Center of International Programmes of Studies (UCIPS) of the International Hellenic University** offering programmes that are taught **exclusively in English**.
